

## What is the ANNUAL FUND?

The Annual Fund helps to cover the significant operating costs needed to ensure the standard of educational excellence which *The Mary Louis Academy* has always maintained. In today's challenging world, *TMLA* continues to provide an atmosphere of knowledge, warmth and unity for this next generation of young women. Through the Annual Fund you help us to grow the leaders of tomorrow.

## What is the GOAL?

*TMLA's* ambitious goal is to raise \$795,000 during the 2010-2011 academic year! We have great faith in the generosity of our alumnae, parents, and friends. If everyone is able to make a donation, of any size, we will be able to meet, or even exceed, our goal!

## WHERE will my money go?

Every penny donated to *TMLA* goes to further the education of young women. The Annual Fund helps to support:

- Our academic program; maintained at the most advanced level for 75 years!
- Continued implementation of cutting edge technological and educational advancements.
- A diverse and challenging Athletic Program. The largest all female athletic program in the City of New York!
- Academic and Cultural clubs that are vital to the integration of our students into a global society.

Every donation to *The Mary Louis Academy* ensures that all of these wonderful opportunities remain available to every young woman who attends *TMLA*.

## Why GIVE?

It is a little known fact that since *The Mary Louis Academy* opened her doors, in September 1936, every single student has benefited from a "Silent Scholarship". While the current tuition stands at almost \$8,000 per year, it costs *TMLA* over \$12,000 a year to educate a single student. This \$4,000 gap is known as the "Silent Scholarship", made possible for the past 75 years, solely through the generosity of the Sisters, alumnae and parents. As our alumnae can attest, every donation helps to change a young woman's life forever!

## TMLA TRADITION

During the past 75 years, *The Mary Louis Academy* has educated over 17,000 young women. Each and every alumna carries some piece of *TMLA* with her throughout her life; be it the memories of a favorite teacher, a love of science or the arts which was nurtured here, or lifelong friendships first fostered within these hallowed halls. It is our fervent hope that *TMLA* has left an imprint on the lives of our alumnae. We ask that you please consider making a donation so as to ensure that the young women of tomorrow may continue to enjoy the unique and lasting experience that is *The Mary Louis Academy*.
