

# Sisters of St. Joseph Schools

The logo for Sisters of St. Joseph Schools features a stylized cross with a glowing center, composed of overlapping translucent blue and white shapes.

## MISSION OF THE SISTERS OF ST. JOSEPH SCHOOLS

Sisters of St. Joseph Schools are Catholic college-preparatory educational communities of excellence, created to empower young women to become the leaders of tomorrow. Steeped in the mission of the Sisters of St. Joseph, our schools foster respect for and oneness with creation, and are committed to nurturing inclusive love, unity, reconciliation, justice and peace. We strive to develop compassionate, confident students, rooted in the gospel of Jesus, who use their exceptional academic and leadership skills to address the needs of our times.

## CORE VALUES

*Rooted in our common mission, we are committed to:*

### SPIRITUALITY

Rooted in the Gospel of Jesus, the mission of the Sisters of St. Joseph and the traditions of the Catholic Church, our school communities strive to live and witness reconciliation, unity, justice, peace, and God's inclusive love. We seek union with God and with the sacred community of all God's creation, human and non-human.

### ACADEMIC EXCELLENCE

Students at our schools achieve academic excellence while their individual gifts and talents are nourished. They are encouraged to become life-long learners through rigorous and innovative college preparatory curricula.

### LEADERSHIP

Our schools prepare students to live their lives with honesty and integrity. We strive to develop women leaders who earn respect by actions and decisions marked with strength, humility, empathy and authenticity.

### SERVICE

Our schools encourage students to become responsible, compassionate citizens committed to justice and peace in a global society. Our students embrace opportunities to respond to the needs of others through service and advocacy.

### COMMUNITY

Our schools are unique, diverse, and caring Christian communities where all are welcomed and respected. In this sacred environment, our students grow in self-respect, hospitality, and care for the dear neighbor.
